**Skate the Lake:** This year, Skate the Lake Volunteers will be experimenting with pop up style events where they will decide on races only a few days in advance when there is a clear picture of the short-term weather forecast. The popular Skate the Lake Challenge which started during the pandemic will continue as long as the oval is open. Individual skaters track their total kilometres throughout the season. For more information on the opening date for the oval or pop-up events keep an eye on the Skate the Lake website [skatethelakeportland.com](http://skatethelakeportland.com) or facebook page [facebook.com/skatethelake](https://facebook.com/skatethelake).

If you have issues with birds &amp; critters, put your bags in a can/container/bin or cover them with a tarp/blanket. If you use a container/bin, make sure it is marked in some way to identify for the driver that the container/bin contains bags. If your bags are torn apart before the truck arrives, it is your responsibility to clean up the mess. To prevent garbage disasters, keep your garbage bags and cans/containers/bins inside until the morning of your collection day.</p> <p><b>Tip: covering bags with a tarp or old blanket keeps the birds away.</b></p> |  |                    |  |  |

| plastic, metal & glass bottles & jars | 31  | <b>Culvert Concerns:</b> If you see a plugged culvert screen along a roadway, do not remove it. Call the Roads Department and report it at 1-800-928-2250 Ext. 227. It's much easier for Staff to clear the screen than it is to clear the culvert. If you remove the screen, the beavers get inside the culvert and plug the end of it, making it much harder to clear. Culverts are checked regularly. |   |  | <b>JULY 2025</b><br><table border="1"> <tr><th>Sunday</th><th>Monday</th><th>Tuesday</th><th>Wednesday</th><th>Thursday</th><th>Friday</th><th>Saturday</th></tr> <tr><td></td><td>1</td><td>2</td><td>3</td><td>4</td><td>5</td><td></td></tr> <tr><td>6</td><td>7</td><td>8</td><td>9</td><td>10</td><td>11</td><td>12</td></tr> <tr><td>13</td><td>14</td><td>15</td><td>16</td><td>17</td><td>18</td><td>19</td></tr> <tr><td>20</td><td>21</td><td>22</td><td>23</td><td>24</td><td>25</td><td>26</td></tr> <tr><td>27</td><td>28</td><td>29</td><td>30</td><td>31</td><td></td><td></td></tr> </table> |   |  | Sunday | Monday | Tuesday | Wednesday | Thursday | Friday | Saturday |  | 1 | 2 | 3 | 4 | 5 |  | 6 | 7 | 8 | 9 | 10 | 11 | 12 | 13 | 14 | 15 | 16 | 17 | 18 | 19 | 20 | 21 | 22 | 23 | 24 | 25 | 26 | 27 | 28 | 29 | 30 | 31 |  |  | <b>SEPTEMBER 2025</b><br><table border="1"> <tr><th>Sunday</th><th>Monday</th><th>Tuesday</th><th>Wednesday</th><th>Thursday</th><th>Friday</th><th>Saturday</th></tr> <tr><td></td><td>1</td><td>2</td><td>3</td><td>4</td><td>5</td><td>6</td></tr> <tr><td>7</td><td>8</td><td>9</td><td>10</td><td>11</td><td>12</td><td>13</td></tr> <tr><td>14</td><td>15</td><td>16</td><td>17</td><td>18</td><td>19</td><td>20</td></tr> <tr><td>21</td><td>22</td><td>23</td><td>24</td><td>25</td><td>26</td><td>27</td></tr> <tr><td>28</td><td>29</td><td>30</td><td></td><td></td><td></td><td></td></tr> </table> | Sunday | Monday | Tuesday | Wednesday | Thursday | Friday | Saturday |  | 1 | 2 | 3 | 4 | 5 | 6 | 7 | 8 | 9 | 10 | 11 | 12 | 13 | 14 | 15 | 16 | 17 | 18 | 19 | 20 | 21 | 22 | 23 | 24 | 25 | 26 | 27 | 28 | 29 | 30 |  |  |  |  |

On October 18<sup>th</sup>, residents are encouraged to set out unwanted, gently used items at the end of their driveway, with a "FREE" sign, and turn their 'trash' into someone's 'treasure'.

### Curbside Collection:

When temperatures drop below 0, bag tags can become less sticky. If this happens, affix your tag to the bag at room temperature or fold the tag around the handle & stick both ends together – see photo (full tag must be visible).

### **Municipal Office Information:**

Office Location: 1439 County Rd 8, Chantry | Mailing Address: 1439 County Rd 8, Delta, Ontario K0E 1G0  
Office Hours: Monday to Friday 8:30 am - 4:30 pm. The Office is closed on statutory and civic holidays.  
Contact Numbers: 1-800-928-2250 | After-Hours Service: 1-877-798-5725  
Visit our website at [rideaulakes.ca](http://rideaulakes.ca)

### **After-Hours Service 1-877-798-5725:**

This service is available for **urgent matters** that cannot wait until the next business day (e.g. a tree has fallen down on/over a Township road or a road is flooding). Do not call this service with general inquires, waste & recycling issues, animal control problems or to report that a road needs grading.

### **Township Community Events:**

For a list of events taking place in your Township and information regarding ongoing and weekly community events, visit the Community Calendar located on our website.

### **Dog Licence:**

All dogs over 6 months of age are required to be licenced under By-Law 2012-3. Licence forms can be found on our website or stop by the Office to purchase a licence. A municipal dog tag is valid from January 1<sup>st</sup> to December 31<sup>st</sup> each given year and is the most successful means of identification.

### **Animal Control:**

To report a lost/found dog, dogs running at large or dogs that are a public nuisance (persistent barking/howling), call Frontenac By-Law Enforcement at 613-541-3213.

### **Burn Permits:**

If you are having an open air controlled burn you MUST purchase & activate a burn permit. Permits are available at [rl.burnpermits.com](http://rl.burnpermits.com). On our website, check out the Emergency Services page under the Live tab for more information. Before you burn, call the Burn Permit Activation Line at 1-833-853-3473 as a burn ban could go in place at any time. Campfires no larger than 3'x3'x3' do not require a burn permit.

## CURBSIDE COLLECTION — ALL BAGS MUST BE OUT BY 7:00 am

### Garbage

Each household is entitled to place 3 bags of household garbage out each week. Household garbage must be in a clear bag (no colour) with a current Rideau Lakes bag tag (\$2.50) attached, weighing less than 40 lbs. All bags set out for collection must be tied and your bag tag must be clearly visible to the driver. During hot weather, freeze decaying material as bags will not be picked up if maggots are present. Garbage bags containing mostly recycling material will not be collected, as we encourage everyone to recycle. **Dark bags will not be picked up.** Bags may be placed inside a garbage container, however, tags must be at the top, clearly visible to the driver (see example). All bags/containers must be in plain view of the driver and cannot be hidden behind a tree, hedge, mailbox, fence or car. Large items and non-essential household waste are not collected at curbside and must be disposed of at the Portland Transfer Station (see tipping fees).

To ensure your waste & recycling is picked up during the winter months, place your bag(s) on top of the snow bank so it is easily visible to the driver. When temperatures drop below 0, bag tags can become less sticky. If this happens, affix your tag to the bag at room temperature before going to the curb or fold the tag around the handle & stick both ends together – see example above (full tag must be visible).

Remember, your bags are *YOURS* until the driver puts them in the truck. If you have issues with birds & critters, place your bags in a container or cover them with a tarp/blanket. If your bags are torn apart before the truck arrives, it is your responsibility to clean up the mess.

Businesses do not receive curbside collection and must dispose of their waste & recycling at the Portland Transfer Station. This policy will be strictly enforced.

### Examples of Garbage

Visit our website for more examples: [rideaulakes.ca](http://rideaulakes.ca)

### Stat/Civic Holidays:

When there is a holiday, collection takes place one day later than normal (with the exception of Christmas & New Year's schedules). Only the week in which the holiday falls is affected. Example – when the holiday is on a Monday, collection takes place Tuesday through Saturday. When the holiday falls on a Wednesday, collection takes place Thursday through Saturday (only Wednesday to Friday are affected).

**Pay close attention to the Christmas & New Year's schedules as these change every year. Refer to each month for the holiday schedules.**

### Private Road Curbside Collection:

All private roads in Rideau lakes are now potentially eligible for summer and winter curbside collection. Summer collection runs from Victoria Day to Thanksgiving and winter collection runs from Thanksgiving to Victoria Day. The Township has adopted a policy for minimum road standards (width, maintenance etc.) required to obtain one or both types of service. Please check [rideaulakes.ca](http://rideaulakes.ca) for a copy of the policy and a current listing of eligible roads. If you have questions or would like to discuss what upgrades are required to obtain or enhance your current service, please contact Ben Rothwell at [brothwell@rideaulakes.ca](mailto:brothwell@rideaulakes.ca) or 1-800-928-2250 Ext 230.

### County Household Hazardous Waste Day (HHWD):

Never put hazardous waste in your garbage or recycling, as it is not permitted with regular disposal. Materials such as batteries, fluorescent bulbs, paint, oil/gas, must be disposed of at special depot days. In 2025, the Township will again partner with the United Counties of Leeds & Grenville for one Household Hazardous Waste Event in Rideau Lakes. In previous years this special event day has taken place in July in Rideau Lakes. Watch local newspapers, Facebook/Twitter and our website [rideaulakes.ca](http://rideaulakes.ca) for more information.

## Moving to an Enhanced Recycling System:

Circular Materials, a not-for-profit organization and the administrator of the common collection system, will become responsible for Rideau Lakes recycling program as of March 1, 2025. After this date, if you have recycling questions, please contact Emterra: [customercareont@emterra.ca](mailto:customercareont@emterra.ca) 1-888-597-1541.

## ALL RECYCLING MUST BE CLEAN and flattened.

Every household is entitled to place 5 bags of recycling material out each week for **FREE** (no bag tag required). All accepted recycling material must be properly sorted, CLEAN, in a clear blue bag, tied and weigh less than 40 lbs. Cans should be crushed and plastics should be flattened when possible. All cardboard boxes must be flattened. You may bundle and tightly tie your cardboard and paper (no bag required).

Note: Recycling material is collected on alternating weeks. Simply follow along with the images at the beginning of each week –  for plastic/ metal weeks,  for paper/cardboard weeks. You can also find the schedule on our website under the recycling page. Plastics/metal containers are collected one week, while paper/cardboard/boxboard is collected the next week. Recycling does not require bag tags.

## PLASTIC, METAL CONTAINERS:

### **CLEAN PLASTIC # 1-5** (including but not limited to):

Water/pop/juice bottles, butter/margarine/yogurt tubs, plastic egg cartons, plastic bottles (shampoo, conditioner, body wash, ibuprofen, lotion, liquid soap, ketchup, mustard, mayonnaise, salad dressing, peanut butter, toilet bowl cleaner, laundry soap, disinfectant wipes, etc.)

### **CLEAN METAL & ALUMINUM** (including but not limited to):

Clean aluminum food trays (pie plates, take out, etc.), clean aluminum foil (no food debris), clean metal & aluminum cans.

### **CLEAN GLASS BOTTLES & JARS ONLY** (lids must be removed) pickles, olives, cheez whiz, salsa, sauces, jam, etc.

## Examples of Plastic, Metal & Glass Recycling

## Non-Recyclable Materials

**Non-Recyclable Plastics** – *Just because it's plastic, doesn't mean it's recyclable.*

ALL plastic bags (grocery, wood pellet, water softener, etc); ALL black plastics; milk/soup/juice cartons; tetra packs; foil juice containers and clam shell containers. Due to the changing plastic recycling market world-wide, these items are no longer acceptable in many programs.

Plastic items that are not recyclable and go in the garbage include – ALL plastic bags (grocery, milk, ziploc, wood pellet, water softener, cereal liners); ALL black plastics; milk/soup/juice cartons; tetra packs; foil juice containers; clam shell containers; most coffee pods, granola bar/candy/chocolate bar wrappers; plastic wrap from cheese, cold meats, fruits & vegetables; plastic utensils; straws; hard rigid packaging; make-up containers (e.g. lipstick/lip chap tubes, blush compacts, eyeliner pencils); hoses; shelving; totes; bubble wrap; hangers; laundry baskets, ornaments/decorations; toothpaste tubes; razors; feminine product wrappers; pill packs for medication; small appliances (coffee maker, blender); hand & power tools; school supplies (rulers, scissors, plastic string); home improvements items (vents, piping, sockets).

*Top items that people mistake as recyclable: soap pump dispenser tops, non-paper gift wrap, plastic bags, tissues/paper towel, coffee/tea cups, wine/drinking glasses and glass cookware. These items are garbage, so place them in your garbage bag.*

Other non-recyclable materials include: heavily waxed/coated boxes; lined/waxed dog food bags; shiny/sparkly gift bags; mixed content containers (cardboard and metal – pringle chip tubes, frozen juice tubes; coffee canisters); used and dirty paper products such as tissues, paper towels and serviettes. Some items, such as plastic bags, black plastics, milk/soup/juice cartons, tetra packs, foil juice containers, and clam shell containers are currently not recyclable, but will become recyclable in 2026.

If you're unclear of where it goes, contact Ben Rothwell at [brothwell@rideaulakes.ca](mailto:brothwell@rideaulakes.ca) or 1-800-928-2250 Ext. 230 until February 28th. As of March 1st, please direct these questions to Emterra at [customerareont@emterra.ca](mailto:customerareont@emterra.ca) or 1-888-597-1541.

**ALL Styrofoam is garbage, regardless if it has a symbol and number on it. Put all styrofoam items (plates, cups, trays, blocks, peanuts, etc.) in your garbage bag.**

## Recycling — PAPER, CARDBOARD, BOXBOARD:

Newspapers, flyers, magazines, catalogues, telephone books, clean ice cream cardboard containers, paper towel, toilet paper tubes, cardboard egg cartons, corrugated cardboard (flattened), boxboard boxes (cereal, crackers, cake mixes, granola bars, tissue, pasta, potato, oatmeal, toothpaste, chocolate and candy boxes, clean fast food containers (burger boxes, french fries container, etc.), soft-covered books, hard-covered books (covers removed), envelopes, junk mail, printer/copier paper.

All recycling must be clean and flattened. Heavily waxed or coated boxes are not accepted as recycling as they are garbage. Used and dirty paper products such as tissue, paper towels and napkins are garbage.

Remove the inner plastic bags/liners from inside cereal and cracker boxes and put them in your garbage bag. All cardboard/boxboard must be flattened. You may bundle and tightly tie your cardboard, newspapers and magazines (no bag required), however you may only place bundles the size of a regular garbage bag out (26" x 36") and only up to 5 bundles (equivalent to 5 bags). If your bundle is too large, it will not be collected.

## TRASH 2 TREASURES DAYS – Saturday, April 26 and Saturday, October 18, 2025

As the saying goes... 'one person's trash is another person's treasure'! Do you have used items that are of no use to you any longer, but are not quite ready for the landfill? They might become someone else's treasure! Saturday, April 26 and Saturday, October 18 have been marked as Rideau Lakes' Trash 2 Treasures Day. We encourage residents to place their 'trash' at the end of the driveway, with a "FREE" sign, and turn their 'trash' into someone's 'treasure'. This is a great opportunity for people to travel through the Township and collect little treasures and take them home and re-use the items that are surplus for someone else. Think about joining the many in Rideau Lakes on Trash 2 Treasures Day!

If you would like to have your address added to our list as a Trash 2 Treasures participant, email Ben at [brothwell@rideaulakes.ca](mailto:brothwell@rideaulakes.ca) and we will have a list to share with interested 'shoppers'.

## **SUNDAY ISLAND SERVICE – FOR ISLAND/WATER-ACCESS-ONLY PROPERTY OWNERS**

The Township is unable to provide water-access-only properties with curbside collection; therefore, any resident who owns property on an island or has strictly water-access-only will benefit from this weekly Sunday Service from Victoria Day weekend to September 7<sup>th</sup>, 4:00 - 6:00 pm ONLY. If you live on the mainland and have weekly curbside collection, you are not entitled to use this Sunday Service.

This represents islanders/water-access-only residents' curbside collection and all the rules associated with curbside collection apply. For rules and regulations, please read the curbside section or visit our website at [rideaulakes.ca](http://rideaulakes.ca).

- 3-bag limit for bagged household waste (with a bag tag on each), 5-bag limit for properly sorted recycling materials (no bag tag required).
- Construction or demolition material and other large items are not accepted during this Sunday Service.

Do not leave your bags at any location before or after the hours of service as this is littering and is a fineable offence of up to \$500 per offence. By-Law #2007-46, prohibits the throwing, placing or depositing of refuse or debris on land without the owner's consent.

**Locations:** Sand Lake Marine; Franklin's Drive Boat Launch; Portland Harbour; Lower Beverley Lake Park Boat Launch; Newboro Harbour, Forrester's Landing Boat Launch (from 3:15 - 3:45 pm only).

## **PORTLAND TRANSFER STATION (PTS): 4427H Old Kingston Rd, Portland**

August 2019 marked the closure of the landfilling operations at the PTS. The Site is now a Transfer Station only and all waste goes into bins and is transferred out. The Site remains open as a Transfer Station on Wednesdays & Saturdays from 8:00 am - 4:00 pm. When visiting the PTS, Township policy requires you to sort and discard material in the proper locations. There are different areas for recycling, household wet waste, tires, scrap metal, electronics, construction material, brush/leaves etc. If you are not willing to place your items where they belong, you may be denied access.

**Please note:** As of March 1, 2025, the Transfer Station will no longer accept blue box recyclables due to the transition to producer responsibility for recycling. All other material will continue to be accepted.

Example: Anything made of metal must go in the scrap metal bin. *Tip: load your vehicle to follow the sorting requirements to help save time when unloading.* Large items (such as mattresses and furniture) and items not collected at curbside can be disposed of during regular hours of operation.

**Bag tags are accepted at the PTS for bagged household waste.**

### Tipping Fees:

All waste entering the PTS is chargeable at a rate of \$222/tonne, with a minimum charge of \$10. Brush is chargeable at \$35/tonne (this includes brush under 8 inches in diameter). Small amounts of construction material are accepted (e.g. drywall, lumber, insulation, carpet/flooring, etc). Demolition material is not accepted. The Township reserves the right to limit the quantity of material brought into the PTS at any one time. **Any bagged waste MUST BE IN CLEAR BAGS (dark bags are not accepted).** The PTS accepts cash, debit, mastercard/visa. Personal cheques are not accepted.

### FREE at the Portland Transfer Station (PTS):

Recycling, tires (clean & off the rim), electronics, scrap metal & Christmas trees are free for disposal, when placed in the proper location.

### Large Item Disposal:

Here are a few options for you to consider when disposing of a large item: take it to the PTS and pay the applicable charges; take it to a waste disposal company near you; call a local contractor to dispose of it for you; call a family member or neighbour with the means to help you; donate a gently used item to a local charity or post it on social media; place it at the end of your driveway with a "free" sign on it.
