

IN THE MATTER OF THE ONTARIO HERITAGE ACT, R.S.O., 1980, CHAPTER 337 AND IN THE MATTER OF THE LANDS AND PREMISES AT THE FOLLOWING MUNICIPAL ADDRESSES IN THE PROVINCE OF ONTARIO.

NOTICE OF INTENTION TO DESIGNATE

TAKE NOTICE that the Council of the Corporation of the Township of Bastard and South Burgess intends to designate the property, including lands and buildings at the following Municipal address as properties of architectural and historical value or interest under Part IV of the Ontario Heritage Act, 1980 R.S.O. Chapter 337.

1) JAMES HANNA HOUSE: Part lot 16, Concession 4, Bastard Township - Thousand Acres Road. The residence was originally built by and for James Hanna subsequent to 1851 and is presently owned by Mr. & Mrs. Wentworth and Marie Sharp.

REASON FOR DESIGNATION:

Structure: One-and-one half storey, rectangular in shape with a long facade with natural finished sandstone cut and set in even courses. To the rear, an extension has been added.

Roof: Gabled with medium pitch, covered with heritage metal roofing and containing a gable in the facade. The trim consists of projecting eaves and verges, a moulded cornice and moulded frieze. The main house contains a semi-circular head surrounded by stone voussoirs.

Door: Centrally located, set in a panel recess with a semi-elliptical shaped transom with stone voussoirs. The transom (with some interior modification) still exists. Fan-lights, side-lights, and moulded trim, surround the six-panel door.

2) HENRY FERRIS BOLTON HOUSE: Part lots 21-22, Concession 2, Bastard Township - Highway 15. The residence was originally built by and for Henry Ferris Bolton prior to 1861 and is presently owned by Mr. Campbell Bogue.

REASON FOR DESIGNATION:

Structure: One-and-one half story, "T"- shaped, with a full basement having an external covered entrance of stonework. The naturally finished sandstones are set in even courses in the walls.

Roof: Medium-gable with cedar shingles recently installed as on original roof and with trimmed eaves and verges. There are three single stack chimneys presently of brick and to be restored in stone.

Windows: Flat and rectangular with stone voussoirs, the multi-paned casement windows having large central panes and small lateral panes or lights are a rarity in this locality. Second-floor windows have six-over-six pane arrangement. A window with a semi-circular head is located under the front gable. A semi-circular vent in each end wall contains wood moulded in the shape of a fan. This would include shutters.

Door: The main entrance is set in a recess with panelled sides. An important element in its design is the semi-elliptical fanlight transom. This Adameque style, popular in Canada in the early 1800's became known as the "Loyalist Door," as it was apparently imported by Loyalist settlers.

3) ROBERT POLK HOUSE: Part lot 12, Concession 2, Bastard Township -Highway 15. The residence was originally built by Robert Polk and is presently owned by Duncan Ferguson.

REASON FOR DESIGNATION:

Structure: One-and-one half storey brick with long facade and a brick wing extending to the rear. The brick was plastered on first floor front and side walls and has brick quoining. There is also a clapboard woodshed and summer kitchen attached to the rear and side of the rear extension.

Roof: Covered with patterned metal, the low gable roof also contains a gable facade. The eaves and verges project; a plain fascia and soffit constitute the remaining trim along with returned eaves. There are two dormer windows, gabled with projecting eaves in the rear wing roof. A brick chimney is located at each end of the roof line. There is a third concrete block chimney.

Windows: Rectangular, with moulding wooden trim stone sills and brick voussoirs. Each double-hung sash has a two-over-two pane arrangement. In the centre gable there is a rectangular casement window with semi-elliptical head.

Door: Centrally located along the facade, the main entrance is set in a recess with moulded frame, rectangular transom with multiple lights and sidelights. The solid five-paneled door retains its original interior bolt.

Verandah: Originally, a verandah with decorative trellis work covered the first floor front and sides of the house.

ANY PERSON MAY, within thirty days of the first publication of this notice, send by registered mail or deliver to the Clerk of the Township of Bastard and South Burgess notice of his or her objection to the proposed designations together with a statement of the reason for the objection, and all relevant facts. If such Notice of Objection is received, the Council of the Corporation of the Township of Bastard and South Burgess shall refer the matter to the Conservation Review Board for a hearing.
