### Reasons for Designation

The Knowlton Cemetery is an inactive cemetery of the South Crosby Township which marks the resting place of some of the earliest settlers in our Community. This now abandoned little cemetery was used in the first half of the nineteenth century as a burial ground for children of the Knowlton family in South Crosby. The nineteenth century monuments in this cemetery were, for the most part, of local manufacture at Allyn's Marbleworks in Delta, pre-Confederation monuments dating as early as 1820's.
