AMENDED NOTICE

PURPOSE: This is an application under Section 45 of the Ontario Planning Act requesting minor variances from the provisions of the Township of Rideau Lakes’ Zoning By-law #2023-50 as amended. The applicants are proposing to construct a new 58sqm (624sqft) accessory building (detached garage). The existing property exceeds the permitted 10% lot coverage. The entire lot including the portion of the lot within 60m of the water is at 11.2%. The following variances are requested:

- **Section 5.2.2** – Relief of 3.4% from the permitted maximum 10% lot coverage to allow for 13.4% lot coverage for the proposed accessory building (detached garage).
- **Section 3.3** – Relief of 3.4% from the permitted maximum 10% lot coverage for the portion of the lot within 60m of the water to allow for 13.4% lot coverage for the portion of the lot within 60m of the water for the proposed accessory building (detached garage).

The amended notice is to reflect that the applicants are proposing to demolish and rebuild the dwelling on the same footprint with an increased height due to raising the height of the crawlspace. The new height of the dwelling will be 6m, which represents an overall height increase of 2.2m. The proposed dwelling will also include a loft above the attached garage, and a new entrance canopy. The following additional variances are requested:

- **Section 3.30.2** – Relief of 16.75m from the minimum required 30m water setback to allow for a 13.25m water setback for the increase in height and volume of the dwelling.
- **Section 3.22** – Relief of 16.75m from the minimum required 30m Natural Heritage A setback to allow for a 13.25m Natural Heritage A setback for the increase in height and volume of the dwelling.
