1.0 Interpretation/Definitions

In this document,

- a. **Event:** means a call-out and completion of specific work that may be in more than one location.
- b. **Qualified:** means a person that has all the appropriate licences and training to operate the specified equipment. The person shall understand & be able to operate the equipment including all apparatus & controls in a safe, effective & efficient manner while completing the work.
- c. **Service Provider:** means the person, partnership or corporation submitting a price to undertake work as specified.
- d. **Township:** means the Township of Rideau Lakes and its successors, assigns and “Owner”. In this document it may be referred to as the Township.
- e. **Owner:** means the party to the Contract whom the Work is being performed.
- f. **Worker:** means a competent person that is trained, knowledgeable and capable of completing defined work at a productive rate deemed reasonable by the Manager of Roads and Drainage.
- g. **Person:** means an individual, corporation, partnership, joint venture, association, trust, pension fund, union, governmental agency, board, tribunal, Township of Rideau Lakes, commission or department and the heirs, beneficiaries, executors, legal representatives or administrators of a person to whom the context can apply according to law.
- h. **Business Day:** means any day which is not (i) a Saturday or a Sunday or (ii) a day observed as a holiday under the laws of the Province of Ontario or the federal laws of Canada applicable to the Province of Ontario.
- i. **Commercial Motor Vehicle:** is as defined under section 16 of the *Highway Traffic Act*, R.S.O. 1990, c.H.8, as amended.
- j. **Contract:** means this maintenance contract that defines the undertaking by the Township and the Contractor to perform their respective duties, responsibilities and obligations.
- k. **CVOR Abstract:** means a Level 2 CVOR Abstract obtained from the Township.
- l. **CVOR Certificate:** means a Commercial Vehicle Operator’s Registration certificate issued under the *Highway Traffic Act*, R.S.O. 1990, c.H.8, as amended.
- m. **CVOR Holder:** means a person to whom a CVOR Certificate was issued that has not been cancelled.
- n. **Unacceptable CVOR Record:** means a CVOR Abstract in which either:
 - (1) Rated “conditional” or “unsatisfactory” under the Ministry of Transportation’s Carrier Safety Rating Program;
 - (2) The “Current Violation Rate” is 65% or higher; or
 - (3) The value recorded in the “Threshold Override” is not 100.00%
- o. **Work:** means the total services required by the contract documents.
- p. **Working Area:** means all the lands/easements owned or acquired by the Township for the Work.

2.0 Information to Service Provider

General Description

This is a request for a Service Provider to submit a price for **operated** equipment and trucks, as well as manual labour persons. The Service Provider may submit tender prices **on any or all items, at any or all locations.**

If the Service Provider meets the requirements specified in this document, they will be placed on a list of eligible Service Providers. The Township reserves the right, based on the number of responses received, not to place all submitted prices on the listing. If and when the Township requires the use of any of the services, they shall first utilize the list of eligible Service Providers. All offers of work shall be made by the Manager of Roads and Drainage or Construction Supervisor, based on the best value to the Township. Any unreasonable bid will not be accepted.

THE TOWNSHIP DOES NOT GUARANTEE ANY WORK AND THIS TENDER SHOULD NOT BE CONSTRUED AS A COMMITMENT BY THE TOWNSHIP.

The Township reserves the right to complete work within the work area, with its own forces.

The Manager of Roads and Drainage, in his sole discretion, will determine the most appropriate Service Provider(s) available to complete the required work based on maximizing the financial and operational benefit to the Township and offers of work will be made accordingly to the lowest tender price.

There may be situations where more than one Service Provider will be undertaking work within the work site. In this situation, the Service Provider shall co-operate with other agencies.

If the Service Provider is contacted to provide services, the Service Provider may decline the offer without any repercussions, unless otherwise specified.

Services in this Tender may not be assigned or subcontracted in whole, or in part by the Service Provider without the prior written consent of the Manager of Roads and Drainage. An assignment or a subcontract does not release the Service Provider from its obligation under this agreement.

Inquiries During Tender Period

All inquiries relative to these Tender documents shall be directed to Dan Chant, Manager of Roads and Drainage at dchant@rideaulakes.ca or call 1-800-928-2250 Ext 227.

No information provided orally by the Township shall be binding, nor shall it alter the requirements in any way.

Bid Submission

The Service Provider shall comply with the following instructions. Those failing to do so may be subject to disqualification.

Bids shall be made in the format specified in this section, include the forms in Section 6, and fully contemplate the Special Provisions for Tender outlined in Section 3.

The forms supplied by the Township **must** be used and are to be submitted to: Dan Chant Manager of Roads and Drainage. **Bids must be in hard copy form; in a sealed envelope, clearly marked with**

its contents. Mailed or delivered to the Township Office in Chantry at 1439 County Road 8. Fax transmissions and emails will not be accepted.

**Tender PW2025-1
Dan Chant, Manager of Roads and Drainage
Township of Rideau Lakes
1439 County Rd 8, Delta, ON K0E 1G0**

Bids will be received until 11:00a.m. E.S.T., January 22, 2025. It is the Bidder's responsibility to ensure that the bid submission is received by the Township prior to the submission deadline.

All bids received will be held, unopened, and in strict confidence until after the closing date and time.

Forms must be clear and legible and made in ink. All items shall be bid according to any instructions in this document.

Tenders that are incomplete, conditional, illegible and obscure or have reservations, erasures, alterations, additions not called for, or irregularities of any kind may be rejected. Erasures, overwriting or strikeouts are to be initialed by the person signing for the Service Provider.

The forms must be signed in the space provided by an authorized official of the Service Provider. If a joint bid is submitted, it must be signed on behalf of each Service Provider.

Price Submission

The price shall include total costs, in Canadian Dollars. All prices in Form "C" Service Tender Prices shall not include HST. The Service Provider may submit prices on any or all items at any or all locations.

Cost of Submission

The Township will not be liable nor reimburse any Service Provider for any costs incurred in developing a submission, attending meetings/interviews, demonstrating the goods and or services, legal services, or any other services that may be required in responding to this Tender.

Alteration to Bid Submission

A service tender price may be altered by submitting another Form "C" Service Tender Prices at any time, up to the specified time and date for the closing. The last Form "C" Service Tender Prices received shall supersede and invalidate all previously submitted by the Service Provider.

Withdrawal of Bid Submission

A Service Provider who has submitted a response to this Tender may request that such response be withdrawn. Withdrawals shall be completed and shall be allowed under the following conditions;

1. The Tender closing date and time has not passed. There shall be no withdrawals of submissions allowed after the closing date and time for receiving bids;
2. The request is made in writing on the Service Providers letterhead and signed by a senior official of the Service Provider, and include his direct contact information; and
3. The request is made to the Manager of Roads and Drainage by email or by hand.

In all cases, a request for the withdrawal of a submission will be verified by the Township of Rideau Lakes, by way of a telephone call to the senior official representing the Service Provider and making the request, to confirm the withdrawal.

All confirmed requests for withdrawal will be placed on record and the associated submission shall be given no further consideration. Service tender prices withdrawn under this procedure shall not be reinstated.

Withdrawal of tender prices subsequent to the opening of the Tender or frequent refusal to accept work would be reviewed by the Township and may impact the Service Provider's privilege to submit a Tender to provide services of this nature in the future.

Unbalanced Bids & Bids with Discrepancies

Bids that contain prices, which appear to be so unbalanced that they may adversely affect the interests of the Township, may be rejected; the Bid shall be a reasonable price for such Work.

Wherever the amount for an item does not agree with the extension of the quantity and the unit price, the unit price shall govern and the amount and the Total Tender Price shall be corrected accordingly.

Mathematical discrepancies shall be corrected by the Township, by appropriate means to arrive at the correct Total Tender Price. Where an error has been made in transferring an amount from one part of the Bid to another, the amount shown before transfer shall, subject to any corrections as provided for above, be taken to be correct and the amount shown after transfer and the Total Tender Price shall be corrected accordingly.

Service Providers with submissions that have been rejected by the Township, shall be notified of the reasons within 10 Days of the specified time and date for closing.

Validity

All tender prices are non-negotiable and shall remain in effect for the duration of this Tender. The Service Tender Prices shall be valid for a one (1) year period from **May 1, 2025 to April 30, 2026**.

Acceptance or Rejection of Service Tender Prices

The Township reserves the right to reject any or all Service Tender Prices, for any reason whatsoever and to accept only services considered best for its interest and to waive formalities as the interests of the Township may require, without stating reasons. Therefore, the lowest or any Service Tender Price may not necessarily be accepted.

The Township shall not be liable for any costs, expense, loss or damage incurred, sustained or suffered by any Service Provider prior to, or subsequent to, or by reason of the acceptance or the non-acceptance by the Township of any service provided.

The price shall be irrevocable for a period of thirty (30) days following the date of closing.

Cancellation of Tender

This Tender has been prepared with the intention of proceeding with acceptance of the lowest responsible price, meeting all specifications. However, due to financial constraints and other unforeseen factors, the Township may be unable to award this Tender. The bidders agree to save harmless, the Township, from any or all claims for monetary or any other types of compensation by the bidder if this tender cannot be awarded.

The Township reserves the right to discontinue this Tender process and review at any time and not move forward with awarding a contract. This tender may be cancelled by the Township, upon 30 days written notice to all Service Providers.

Service Provider Acceptance

The Township shall keep on file, a list of all Service Providers that have submitted a tender and shall contact the successful bidder when or if service is required.

The Service Provider, when hired to perform a service, shall deliver by hand, mail or by fax, which shall constitute valid and effective delivery, the following documents prior to commencing any work:

- ❖ Current Workplace Safety and Insurance Board Certificate of Clearance or Exemption Certificate with proof of self-insurance if granted independent status by WSIB.

The Service Provider will keep on file or be able to obtain on short notice, the following documents prior to commencing any work:

- ❖ Satisfactory proof of Insurance in accordance with this Tender;
- ❖ Current Level 2 CVOR Abstract

In the event of the Service Provider failing to deliver the documents in accordance with this section or not providing documents when notified of work, the Township may remove the Service Provider from the list of eligible Service Providers, notwithstanding any other provision in the Tender.

Insurance – Liability, Automotive and Non-Owned Automobile Insurance

Without in any way limiting the liability of any successful vendor, the vendor shall:

1. Maintain and keep in force during the term of the contract, General Liability Insurance protecting the contractor's liability, legal or assumed, under the contract for all claims arising from personal injury to members of the public, damage to property of public including loss of use of such property and the minimum insurance shall be \$5,000,000.00.
2. Maintain and keep in force during the term of the contract, automobile and non-owned automobile insurance on all vehicles used in connection with the work under this contract. Such insurance is to carry the minimum limit of \$2,000,000.00.
3. Maintain and keep in force during the term of the contract, Contractor's contingent liability insurance, covering the liability of the Contractor under this contract in respect to his sub-contractor's same limits as required in Clause (a).
4. Deposit with the Township of Rideau Lakes, before commencing any work under this contract, a certificate of insurance detailing the coverage and expiry date for all policies duly executed by the insuring company stating that if said policies are cancelled or changed in any manner, sixty (60) days written notice of such change or cancellation will be given to the Corporation of the Township of Rideau Lakes, Clerk, Delta Ontario. The Township shall be shown as an additional insured.

Workplace Safety Insurance Act

Any successful vendor is required to comply with all the regulations of the Workplace Safety and Insurance Board (WSIB) in respect to the contract work and all persons employed on or in connection therewith, and shall furnish a Certificate of Clearance from the Board to the Township of Rideau Lakes, and maintain good standing with the WSIB throughout the contract period.

Contractor's Liability

Any successful vendor shall be liable for all injuries and/or death to persons and for damage to property caused by his/her operations and those of sub-contractors and their employees engaged on and off site; and shall indemnify and save harmless the Township of Rideau Lakes from all suits and actions for damages and costs to such damages to property of others as well as the Township, resulting from negligence, poor workmanship and materials, as well as any cause whatsoever in the performance of the work.

Terms of Payment and Invoices

The Township shall pay for the Work upon completion and receipt of an itemized invoice sent Dan Chant, Manager of Roads and Drainage, at the Township of Rideau Lakes, dchant@rideaulakes.ca . Generally, the Township of Rideau Lakes' terms of payment are net thirty (30) calendar days upon completion of work and receipt of invoice.

3.0 Special Provisions for Tender

The Work

Throughout the year, Events may occur which the Township may require the services of operated equipment, operated trucks or manual labour. This work includes but is not limited to ditching, grading, gravelling, culvert installation etc. When the need for these services occurs the Manager of Roads and Drainage/Construction Supervisor will determine and contact the most appropriate item available and offer the work to the Service Provider(s) based on lowest tender price. The Manager of Roads and Drainage/Construction Supervisor shall offer the work based on the lowest tender price submitted that will accept the work.

For each Event, the Manager of Roads and Drainage/Construction Supervisor shall advise, in writing, the selected Service Provider of the scope of the work, the location, the estimated duration, response time and the extent of the work. The Service Provider has the option of accepting or refusing the specific offer to work. All work completed shall be undertaken in accordance with all the terms specified in this Tender.

The Township may eliminate the Service Provider from the list of any or all items by location that the Service Provider is offering, after the Service Provider declines to accept work on three (3) occasions throughout the term of the Agreement.

The Service Provider shall provide all required documentation (licences, certificates etc.) upon request to verify that staff is qualified to undertake the work assigned.

The Manager of Roads and Drainage/Construction Supervisor has the right to withdraw the offer to work at an Event or to suspend the work Event if and when any of the following occurs:

- (a) The Service Provider fails to respond to the event by the specified time.
- (b) The condition of the equipment or trucks is not in a satisfactory condition.
- (c) The equipment is not being operated in an efficient manner.
- (d) The operator does not meet the definition of Qualified.
- (e) The work is not being completed in a safe manner.
- (f) The Service Provider fails to produce the required documentation (licences, certificates etc.) to verify that the staff provided by the Service Provider is Qualified.
- (g) The Service Provider alters the scope of work.

(h) The service is no longer required.

If the offer is withdrawn or the work suspended by the Manager of Roads and Drainage/Construction Supervisor for any of the above reasons, except "h", the Service Provider may be removed from the list of available Service Providers.

This Work may not be assigned or subcontracted in whole or in part by the Supplier, without prior written consent of the Manager of Roads and Drainage.

Measurement of Payment Equipment/Truck(s)

Rental for equipment/truck(s) shall be on an hourly basis for actual hours worked, calculated to the nearest half hour at the end of each working day. The Service Provider and the Manager of Roads and Drainage/Construction Supervisor shall agree on the number of hours worked at the end of each working day.

The Service Provider shall be compensated for a minimum of two (2) hours for each Event.

If the notice of work is cancelled by the Manager of Roads and Drainage/Construction Supervisor prior to twelve (12) hours before the proposed start of the operation, no payment will be made for the call out. However, if cancellation is given within the twelve (12) hour period preceding the start of the operation, the Service Provider shall be paid for two (2) hours at the hourly rate for each equipment/truck requested.

Manual Labour Persons

Shall be on an hourly basis for actual hours worked, calculated to the nearest half hour at the end of each working day. The Service Provider and the Manager of Roads and Drainage/Construction Supervisor shall agree on the number of an hours worked at the end of each day.

The Service Provider shall be compensated for a minimum of two (2) hours for each Event each labourer is called out.

If the notice of work is cancelled by the Manager of Roads and Drainage/Construction Supervisor prior to twelve (12) hours before the proposed start of the operation, no payment will be made for the call out. However, if cancellation is given within the twelve (12) hour period preceding the start of the operation, the Service Provider shall be paid for two (2) hours at the hourly rate for each worker requested.

Transportation within the work site or to another work site within the same day in excess of 10 kilometres per day shall be compensated at the rate of \$0.45 per kilometre after the initial 10 kilometres. Travel time shall be paid at the hourly bid rate while travelling under these conditions.

Basis of Payment

Payment at the Tender unit price for the above tender item shall be full compensation for the equipment, operator(s) and labourers required to carry out the work specified by the Manager of Roads and Drainage/Construction Supervisor.

Scope of Work

Equipment/Truck Service With Operator – Items No. 1-16

The scope of work involves providing the equipment/truck(s) specified in Form “C” Service Tender Prices, at the location and time specified by the Manager of Roads and Drainage/Construction Supervisor. The equipment/truck(s) shall be in good working condition and be operated efficiently by qualified operator(s). The Service Provider shall provide the proper number of qualified operators to operate the equipment in a safe efficient manner. Equipment/truck(s) will be used for a variety of maintenance and construction activities, including hauling all different types of material.

Float time at the rate of \$120.00 per hour to a maximum of 2 hours per day will be paid to transport the equipment to/from or within the work site if required.

Manual Labour Persons – Item No. 17

The scope of work involves supplying Worker(s) to complete a wide variety of manual labour maintenance and construction activities including but not limited to, drainage cleaning, guiderail repairs, pot hole patching, etc. The Manager of Roads and Drainage/Construction Supervisor shall specify the type, location and appropriate accomplishment of the work.

The Township shall supply all hand and power tools required to complete the Work.

Transportation to and from a work site shall be included in the Tender Price.

Tree Removal – Item No. 18

The scope of work involves removing hazardous trees and clearing all materials from the site with qualified operator(s) specified in the service tender price form, the location and time specified by the Manager of Roads and Drainage.

Street Light Repair – Item No. 19

The scope of work involves the maintenance and repairs to Township owned streetlights with qualified technician(s) specified in the service tender price form, the location and time specified by the Manager of Roads and Drainage.

Professional Engineering Services – Item No. 20

The scope of work involves professional engineering services for consulting/construction drawings of institutional/assembly buildings and consulting plans for drainage and stormwater on municipal ROWs.

Asphalt Driveway Reinstatement and Culvert Patch – Item No.21

The scope of this work involves the reinstatement of paved driveways and paved culvert patches due to road reconstruction or culvert changes. Asphalt shall be HL3 compacted to 50mm. All granular will be supplied by the Municipality.

Building Cleaning Services – Item No.22

The scope of this work involves providing an hourly rate of a qualified firm or individual to provide building cleaning services for various Township Facilities. Throughout the year, the Township is in need of general cleaning services such as sweeping, dusting, mopping, window cleaning, and surface cleaning of washrooms/kitchens etc... An hourly rate is requested and can be separated during regular business hours / non-regular business hours (weekends, nights etc...) if applicable.

Catch Basin Cleaning – Item No.23

The scope of this work includes removing debris from approximately 115 catch basins located within the villages of Rideau Lakes with a vacuum truck. The work will be completed based on an hourly rate. Travel time to and from the Township will not be included.

Equipment Only, No Operator – Items No. 24-32

The scope of work involves providing the equipment with no operator specified in Form “C” Service Tender Prices, at the location and time specified by the Manager of Roads and Drainage/Construction Supervisor.

Float time at the rate of \$120.00 per hour to a maximum of 2 hours per day will be paid to transport the equipment to/from or within the work site if required.

4.0 Commercial Vehicle Operator’s Certificate (CVOR) – All Items

Carrier Safety Compliance

Contractor Operation of a Commercial Motor Vehicle

Where the Contractor is a CVOR Holder who intends to operate a Commercial Motor Vehicle in the performance of the Contract or in the haulage of materials to, on or from the Working Area, the Contractor shall provide to the Township of Rideau Lakes a copy of the Contractor’s CVOR Abstract on the following days:

- (i) The CVOR Abstract shall be provided before the Contractor operates a Commercial Motor Vehicle in the performance of the Contract or in the haulage of materials to, on or from the Working Area.

5.0 Occupational Health and Safety

The Service Provider and all staff must comply with the Occupational Health and Safety Act (OHSA) (which are minimum requirements) and will be responsible for the compliance therewith while working for the TOWNSHIP OF RIDEAU LAKES and shall take all reasonable precautions to ensure worker safety.

The Service Provider shall supply and ensure that all staff uses protective clothing and/or devices as set out in the Occupational Health and Safety Act and Regulations.

In compliance with the Occupational Health and Safety Act and W.H.M.I.S. regulations, the Service Provider is cautioned that the workplace may contain hazardous products. It shall be the responsibility of the Service Provider to become aware of these products and provide training. These products are controlled under the W.H.M.I.S. Regulations.

In the event of an accident causing death, critical injury (as defined in the OHSA) or disabling injury to the Service Provider’s employee, the Service Provider shall notify the Manager of Roads and Drainage immediately and within five (5) days of such an event, provide the Manager of Roads and Drainage with a detailed report which shall include the following information.

- a) Service Provider contact person name and telephone number
- b) Description of accident (who, what, where, when, how)
- c) Description of injury
- d) Recommendations to prevent future occurrence and
- e) Confirmation that all legislative notification requirements have been fulfilled.

The Service Provider shall immediately notify the Manager of all MOL orders or charges issued to the Service Provider. In addition copies of all MOL orders and Charges shall be provided to the Manager of Roads and Drainage immediately.
